

The following clinics have been arranged to immunise secondary school students who were absent on the day that the team visited their school or for children who are home schooled. Parents who wish to book their children into one of these clinics can do so by calling either of the following numbers:

01872 221105

01872 221106

01872 221107

Alternatively, they can email enquiries.kernowcic@nhs.net with their contact details and we will call them.

Consent Forms can be downloaded for each of the immunisations from our website
